MDR Statement of System and Procedure Pack Producer

Heidenheim, 2026-03-25

We herewith declare under sole responsibility that the System and Procedure Packs listed below, first placed on the market by PAUL HARTMANN AG (Registration Number DE-PR-000019925), satisfy the applicable provides described in Article 22 of the Regulation (EU) 2017/745 of the European Parliament and of the Council of 5. April 2017 on medical devices.

We have verified the mutual compatibility of the devices and, if applicable other products, in accordance with their manufacturers' instructions and have carried out our activities in accordance with those instructions.

We package the System or Procedure Pack and supply relevant information to users incorporating the information supplied by the manufacturers of the devices or other products that are put together.

The activity of combining devices and, if applicable, other products, is subject to appropriate methods of internal monitoring, verification and validation.

Sterilization, if applicable, is carried out in accordance with the manufacturer's instructions. The sterilization process is under the supervision of the Notified Body:
TÜV Süd Product Service, Identification No. 0123, Certificate No. G24 011858 0072 rev 02.
