AlphaTec®
Solvex®

37-185

Excellent chemical protection with a good level of grip, fit and comfort

Previously known as: Solvex® 37-185

Elbow-length chemical gloves, delivering durable hand and arm protection

- **Fewer risks:** With no inner cotton flocking, AlphaTec® Solvex® 37-185 chemical-resistant gloves present lower lint contamination risks
- **Specialized protection:** Their high-performance nitrile compound composition grants them EN 374 Type A chemical protection, shielding up to the elbow
- **Improved durability:** This nitrile make-up also ensures EN and ANSI level 4 abrasion protection, making them suitable for heavy-duty cleaning
- **Elevated comfort:** AlphaTec® Solvex® 37-185 industrial gloves are also highly comfortable and dexterous
- **Food handling compliance:** They comply with both EU and FDA regulations for food handling

Industries

- Food Processing
- Metal fabrication
- Oil and gas
- Chemical
- Agriculture
- Automotive Aftermarket
- Utilities

Applications

- All food processing applications that have food contact
- Forging operations
- General pumping work
- Handling incoming goods
- Filling, blending and charging of raw materials
- Opening and draining pumps valves or lines
- Loading and unloading of proces equipment
- Transferring liquids and solids between vessels and tanks and process equipment
- Supervision of running operation
- Handling outgoing goods: cans, vessels, bulkpack and cartons
- Testing
- Opening furnaces draining pumps valves or lines and crackers BTX process
- Painting or cleaning tools or robots

AlphaTec® Solvex®

37-185

Excellent chemical protection with a good level of grip, fit and comfort

Previously known as: Solvex® 37-185

Key Features

- **No cotton flocking:** PPE gloves with reduced lint contamination risks
- **Nitrile compound composition:** EN 374 Type A chemical resistance levels
- **Durable material:** ANSI and EN level 4 abrasion resistance

Vulcanization Chemical Accelerators

- Zinc Diethyldithiocarbamate

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.
