Uterine Aspiration Tubing

Product Data Sheet

SURGICAL SUCTION

Description	A range of flexible transparent tubing offering a convenient and adaptable system for uterine aspiration.
Intended Use	A sterile, semi-rigid or rigid, plastic tube designed for insertion into the uterus. It is frequently connected directly or through an external tube or catheter to an irrigator and/or aspirator for irrigation, infusion, or withdrawal of substances. It may also provide a port through which instruments and/or probes are passed to perform a variety of gynaecologic/obstetric diagnostic, therapeutic, and surgical procedures. This is a single-use device. (GMDN 32655)
Duration of Use	Normally intended for continous use of less than 60 minutes, but will be patient specific depending on duration of the surgical procedure.
Materials	PVC and K-Resin. All materials used are DEHP and LATEX FREE.
Product Information	Special wide bore, thick walled, high vacuum PVC tubing, with a Flexi-cuff to provide extra flexibility at the crucial point. Attached to rotary swivel handle featuring easy vacuum control. Flexi-Cuff provides extra flexibility enabling ease-of-use and potentially enhancing techniques. Leak proof seals; Easily connects to curettes; Male connector in each pack for connection to suction machines where required; Sterile, double wrapped, individual peel pouches.
Quality System	ISO 13485
EU Classification	Class IIa
Sterilised by	Ethylene Oxide;
Shelf Life	5 years
Storage & Safety	Toxicity: Manufacture from biocompatible materials Storage: Store in a clean, cool, dry place away from direct sunlight

Included Male Connector:

Tubing Length:	2m or 3m
Tubing Diameter:	11.5mm (ID) 16mm (OD)
Tubing Shore Hardness:	75A
Flexi-Cuff Shore Hardness:	62A

Product Code	Description	Tubing Length	Qty per Box
AEKHS3000	Wide Bore Tubing + Rotary Handle, ***loose*** male connector	2.0m	10
AEKHS3000M	Wide Bore Tubing + Rotary Handle, ***attached*** male connector	2.0m	10
AEKHS3030	Wide Bore Tubing + Rotary Handle, ***loose*** male connector	3.0m	10
