Absorbent Table Cover
- Top layer wicks fluid from surface
- Absorbent middle layer traps and contains fluid
- Impervious base layer prevents strike through
- Allesorb Premium features base layer with improved grip

Lift Sheet
- Non-woven PET spunlace construction

Sterilization

Non-Sterile: If a product is delivered non-sterile and is ultimately for use in sterile environments, it is intended to be sterilized by the re-packager. This includes further packaging and sterilization according to the validated processes of the re-packager. These products are to be sterilized by ethylene oxide (EO). Other methods of sterilization have not been validated by Alleset.

Shelf Life

Non-Sterile: Established at 5 years based upon sterile packaged product aging studies and normal warehouse storage conditions. After 5 years, the product should be performance tested to ensure compliance to specifications.

Product Certifications

- CE certified as Class I, according to MDR 2017/745 Annex VIII, Rule 1

Manufacturing Certifications/Registrations

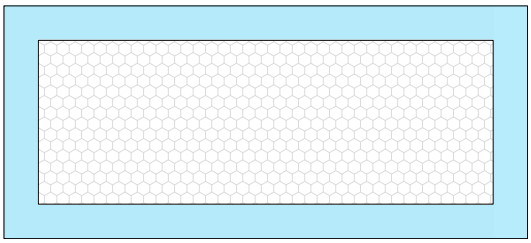

- EN ISO 13485:2016

Storage

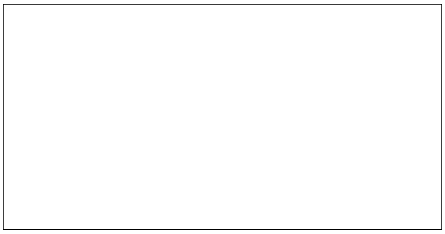

- General warehouse conditions
