

## Assembly and use of Sharpsafe 5L / 7L containers

**Do**

Fold the Dual Protect Pro™ inward into the open position **before** fitting the lid.

Fit the lid (4 clicks) **by placing the label and the fill line of the lid on the same side.**

Always keep the lid **in temporary closure between uses.**

**Do Not**

**Do not fold** the Dual Protect Pro™ when the container is already in use.

**Never throw or drop** used medical devices into the container **from a greater height or from a distance.**

**Never leave a container open** between uses
