PrimaPad Trendelenburg Positioning System

22 March 2024

To Whom It May Concern,

Our PrimaPad Trendelenburg Positioning System (TPS) has been in the European and UK markets for 8+ years and has been the market leader in the UK for 5+ years – During this period, the product has been used on more than 50,000 surgical procedures/patients – Based on this extensive experience, the PrimaPad Trendelenburg Positioning System (TPS), when used correctly, offers a repeatable standard of care for patients up to 250kg.

If you have any questions related to this declaration, please do not hesitate to contact me directly.

Sincerely,

Brian E. Jenkins
President
